1. Send a letter to Mr Barnett.

(Either your own letter or the group constructed letter. The group constructed letter is preferable, as it has been designed to avoid rhetoric).

2. Send a letter objecting to the proposed protest legislation changes, letters should go to local State Minister's of Parliament (MP)

(Either your own letter or the group constructed letter. The group constructed letter is preferable, as it has been designed to avoid rhetoric).

3. Transfer your super investments over to companies investing in renewable technologies or invest in industries other than fossil fuels. Change banks if your bank provides funding to fossil fuel industries.

4. Write to your local Shire Councillors and local MP.

(Either your own letter or the group constructed letter relating to your Shire. The group constructed letter is preferable, as it has been designed to avoid rhetoric or deflective spin).

5. Tell friends and family members, encourage them to send letters and join the groups to stay up to-date with information and current actions.
